

Our Values

RESPECT

We believe in the inherent worth of each individual, viewing all members of society as equal in value.

EMPATHY

We believe everyone has the ability and opportunity to share in the feelings of another's journey. We offer strength as we listen and connect with others' concerns.

INTEGRITY

We believe honest, stable, genuine relationships are the foundation of a healthy community. We believe this is demonstrated through accepting the responsibility of our role and being accountable to others for how we act.

COLLABORATION

We believe in the power and unity that comes through working together. Individual voices need to be heard and respected in decision-making and in our service to one another.

CONFIDENTIALITY

We believe in the right to privacy of information and will act with respect and integrity concerning personal information that is shared in confidence.

PROFESSIONALISM

We strive to work in a manner that keeps our vision and mission in mind, infusing purpose into

our work and influencing every word, action, and relationship.

Our Goals

CLIENT-CENTRED APPROACH

We believe the key to serving successfully is to keep the needs and best interests of the client at the forefront of our work.

STRENGTH-BASED FOCUS

All individuals and families have inherent strengths that can be discovered and used to create solutions to current challenges.

EXCELLENCE THROUGH EVALUATION

We believe there is always room for improvement on an individual and community level and are committed to evaluation and feedback from all levels of programming - clients, employees, partners, and funders - to better understand how we can increase our effectiveness.
